\* Beams in conference level meeting rooms are 10' high

\*\* Elevation at sloping ceiling peak

\*\*\*Beams at Lodge are 10' 11" high

**Additional Notes:** - Theater-style capacities will vary based on chairs selected for the meeting.  
 - Pillars, fireplaces, and doorways may affect some room arrangements.  
 - Conference style is not recommended for groups larger than 16 unless placed in several pods  
 - Capacities decrease when other equipment is added to the room. Please ask for details.
