### Now available at Glen Cove Mansion Hotel & Conference Center

Since 1992, American Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events and group activities throughout North America, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from team building initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Including one of our team building events in your itinerary is also a great business decision.**

If you're looking for a beneficial and enjoyable experience together as a team, we have many of our most popular events available, such as the Amazing Chase, CI: The Crime Investigators, The Apprentice, Green Team Eco-Challenge, Secret Agent 007, Corporate Castaways, GPS, Cake Boss, Vegas Nights Casino and many more.

**Our various team building events, group activities and education programs are chosen by well-known organizations** such as Microsoft, Disney, Home Depot, Costco, KPMG, Kraft and more. We are also a preferred supplier to many of North America's top destination management companies and event planning agencies.

"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."
